* Replace drainage culverts under Runway 12/30 west (near SJRWMD) <i>City of Palatka</i>		2002
* Sykes Business Park		2002
* GPS approach		2002
* Perimeter fencing <i>Florida Detention Systems</i>		August 2003
* Electronic access entrance gates <i>Florida Detention Systems</i>		September 2003
* MPU by Passero Associates		December 2003
* Geological GPS surveying for three-dimensional mapping	March 2004	March 2004
* Runway and taxiway pavement strength analysis	April 2004	April 2004
* Underground field drainage analysis	April 2004	April 2004
* Field lighting rehabilitation, taxi alpha, runway 09/27 <i>JACO</i>	December 2003	May 2004
* Field lighting rehabilitation, taxi bravo east <i>JACO</i>	December 2003	May 2004
* Phase I Fuel Farm Rehabilitation: 100LL & self-serve install <i>Fuel Tech</i>	April 2004	May 2004
* Conceptual Design Stage: new road sign and Veteran Memorial... for hwy 100 main entrance	August 2004	<i>suspended December 2006</i>
* Phase I Field Rehabilitation: Drainage evaluation and rehabilitation... taxi alpha west <i>Passero Associates / BGCO</i>	December 2004	February 2005
* Phase I Field Rehabilitation: Taxi alpha west pavement rehabilitation <i>Passero Associates / BGCO</i>	December 2004	February 2005
* Phase II Field Rehabilitation: Conceptual Design <i>Passero Associates</i>		February 2005
* Phase II Fuel Farm Rehabilitation: Jet A & self-serve install	November 2004	February 2005

<i>Fuel Tech</i>		
* Storm Water Drainage Master Plan <i>EMS</i>	January 2005	<i>in progress</i>
* New Terminal Building: Conceptual Design Stage: <i>Passero Associates</i>	January 2005	May 2006
* Utilities extension for highway 100, pipe upgrade driveway east <i>City of Palatka</i>	April 2005	October 2005
* Install water lines to and throughout NW t-hangar development <i>Airport staff</i>	October 2005	January 2006
* Phase III Field Rehabilitation: Conceptual Design <i>Passero Associates</i>	July 2005	May 2006
* Phase II Field Rehabilitation: taxi Alpha pavement east <i>Passero Associates / BGCO</i>	October 2005	July 2006
* Phase II Field Rehabilitation: Compass Rose <i>Passero Associates / BGCO</i>	October 2005	July 2006
* Storm Water Drainage Survey: western property elevation <i>Atlantic Gulf</i>	December 2005	January 2006
* Phase II Field Rehabilitation: drainage structures evaluation... taxi Alpha east <i>Passero Associates / BGCO</i>	January 2006	February 2006
* Phase II Field Rehabilitation: lighting rehabilitation... taxi Charley north of 09/27, taxi Delta <i>Passero Associates / BGCO</i>	January 2006	July 2006
* Phase II Field Rehabilitation: highway 100 fence line east <i>Passero Associates / BGCO</i>	January 2006	March 2006
* Phase II Field Rehabilitation: segmented circle <i>Passero Associates / BGCO</i>	Mach 2006	July 2006
* Evaluate perimeter fencing deficiencies for replacement/enclosure... including NDB compound <i>Passero Associates</i>	January 2006	July 2006
* Mandated by Department of Homeland Security: Continuing Security... replace complete line of t-hangar locks (80 locks) <i>Airport staff...A-1 Locksmith</i>	February 2006	July 2006
* Phase II Field Rehabilitation: complete drainage structures replacement... under taxi Alpha east <i>Passero Associates / BGCO</i>	March 2006	July 2006
* Phase III Field Rehabilitation: Construction Design <i>Passero Associates</i>	May 2006	October 2006
* New Terminal Building: Design Stage: <i>Passero Associates</i>	May 2006	October 2006
* T-Hangar Construction: Conceptual Design Stage <i>Passero Associates</i>	May 2006	October 2006
* Corporate Hangar Construction: Conceptual Design Stage <i>Passero Associates</i>	May 2006	October 2006
* Land Sale: Airport Industrial Park	July 2006	<i>pending</i>
* Vegetation Control: Tree Removal Conceptual Design and Design... on approach to rwy 17	September 2006	November 2006
* Perimeter Security Fencing: Conceptual Design and Design	September 2006	November 2006
* Phase III Field Rehabilitation: Request for Bids... to "Notice to Proceed" <i>Passero Associates</i>	October 2006	February 2007
* New Terminal Building: Construction Design: <i>Passero Associates</i>	October 2006	December 2006
* T-Hangar Construction: Construction Design <i>Passero Associates</i>	October 2006	February 2007
* Corporate Hangar Construction: Construction Design <i>Passero Associates</i>	October 2006	February 2007
* Vegetation Control: Tree Removal on approach to rwy 17 <i>Georgia Pacific/FDOT/City</i>	November 2006	January 2007
* Perimeter Security Fencing: Request for Bids <i>City</i>	December 2006	January 2007
* New Terminal Building: Request for Bids: <i>Passero Associates</i>	January 2007	<i>in progress</i>

* Perimeter Security Fencing: Construction 2,340 linear', 1 access gate... Moody Road...and at SJRWMD <i>All-Rite Fencing Company</i>	February 2007	February 2007
* Vegetation Control: Tree and Underbrush Removal... on approach to rwy 35 <i>City</i>	February 2006	<i>in progress</i>
* Phase III Field Rehabilitation: Rwy 17/35 MIRL Rehab <i>Passero Associates / BGCO</i>	March 2007	<i>in progress</i>
* Phase III Field Rehabilitation: Txy Charley south MIRL Rehab <i>Passero Associates / BGCO</i>	March 2007	<i>in progress</i>
* Phase III Field Rehabilitation: Rwy 17/35 Drainage Rehab... Dainage pipe replacement under rwy 35 at Industrial Park <i>Passero Associates / BGCO</i>	March 2007	<i>in progress</i>
* Phase III Field Rehabilitation: Other Drainage Improvements... Grading/grassing safety areas 17/35, ditch clearing, grading/grassing <i>Passero Associates / BGCO</i>	March 2007	<i>in progress</i>
* T-Hangar Construction: Request for Bids... <i>Passero Associates</i>	March 2007	<i>in progress</i>
* Corporate Hangar Construction: Request for Bids <i>Passero Associates</i>	March 2007	<i>in progress</i>
* New Terminal Building: Construction...Notice to Proceed <i>Passero Associates</i>	May 2007	<i>projected</i>
